1.1 Saint Mary's Right to Amend Its Policies and Revise Its Procedures and Practices

This Handbook has been developed to provide staff with general guidelines about many Saint Mary's College policies, and procedures; however, it does not contain promises to any individual employed at or assigned to the College about how any particular circumstance will be addressed. None of the policies in this Handbook is intended to create contractual rights or obligations, nor to be construed as a guarantee of employment for any specific period of time or in any specific position. The College reserves the right, with or without notice (when not otherwise required by law), to amend, revise, revoke, modify, delete or add to any and all policies, procedures, work rules or benefits stated in this Handbook.

The Human Resources Department will provide reasonable notice to staff employees regarding significant changes to this Handbook via email that will direct employees to the Handbook on the HR website to review the most up-to-date policies and procedures. The Handbook supersedes all previously issued handbooks, procedures or policy statements (oral or written), including but not limited to those that may be inconsistent with the policies and procedures described in this Handbook, as amended from time to time, and no oral statements or representations can in any way alter the provisions of this Handbook unless approved in advance and in writing by the President of the College in consultation with the Assistant Vice President of Human Resources or designee.
