9.1 Campus Public Safety

The service and assistance of the College's Public Safety personnel is available to all College employees as well as to students. The Public Safety Department is charged with monitoring and preventing conduct that might interfere with the mission of the College and/or violate College policies. Employees must contact Public Safety to report:

- loss or theft of College-owned property in any location

Section 9 – Safety, Health & Environmental Services

- loss of personal property while on College-owned or controlled property
- commission or potential commission of a crime on College-owned or controlled property
- violations of campus policies which Public Safety has responsibility to enforce
- possible crisis situations
- problems related to traffic and parking.

NOTE: personal property is not covered by the College's insurance. Employees should check their homeowner's or renter's insurance policies for coverage of lost or stolen personal items brought on to campus.
