9.9 Bloodborne Pathogen Exposure Control Plan

Saint Mary's Bloodborne Pathogen Exposure Control Plan provides guidance and awareness to employees who may be exposed to bloodborne pathogens in the course of providing First Aid / CPR, the handling or contact of blood or other potentially infectious material or performing public safety duties at Saint Mary's College. Training includes how to avoid or minimize their exposure risk, and provides a voluntary vaccination program.

Applies to – Athletic trainers and coaches, Building Maintenance personnel, Athletic Equipment managers, Laboratory Staff and Faculty in certain disciplines, Nurses and Nurse Practitioners, Public Safety Officers, Residence Community Coordinators.

Training required – Applicable employees are required to repeat this training every 12 months

Standards' location – EH&S website, and hard copy in Facilities Services.
