### **Consent for Photographs and Videos**

Saint Mary's regularly takes photographs and videos (including sound recordings) of campus activities and events to document and share these activities with its own community and the public. By coming onto, entering the campus, or by being an enrolled student, the Saint Mary's campus, you understand and agree that your image and sound may be captured in photographs, video or other electronic format for use by Saint Mary's. These images may be taken in common areas on campus, event venues, including but not limited to, athletic events, concerts, lectures or speeches open to the community, organized or impromptu campus events, rallies or any other campus activity. By entering the campus, you authorize Saint Mary's to use your likeness in print and electronic materials created for the purpose of sharing and telling the Saint Mary's story. This authorization shall be irrevocable, perpetual, transferable, royalty free, and worldwide.

Photos taken in public places, for purposes of news or general information, do not require photo releases or written consent. Photos used to advertise products or services of the College may not require releases when the focus of the photo is a location or event, not a person. Saint Mary's will obtain photo releases or written consent for images that single out individuals or where a limited number of individuals are the specific focus of the picture. Saint Mary's also reserves the right to remove any photograph of a person for any or no reason.
