SEBA Holds Rheem Theatre Case Study Competition

SMC's School of Economics and Business Administration collaborated with the Moraga Chamber of Commerce on an innovative partnership, organizing a business case study competition for students in the Business Administration Strategy Class (BUSAD 140), where they developed a 10-year business plan for the Rheem Theatre. The goal is to capitalize on the theater's potential to become an entertainment and community-oriented space that will enhance Moraga. After weeks of intensive study, research, and strategic development, five student teams will present their innovative solutions to a panel of

renowned business executives to win \$10,000 in scholarships on Thursday, Nov. 29, from 5:30 to 8 p.m. at the Soda Center. [Read More Here](#)

Giving Tuesday

GivingTuesday is here! Following a day for giving thanks—and two days for deals—#GivingTuesday is the international day of philanthropy that brings Gaels across the globe together to change lives with our collective giving. This year, a generous donor and former SMC parent has offered to match ALL gifts 1:1 made to Saint Mary's College* where gifts are needed most. [Make your gift now](#)—when each donation to Saint Mary's College* goes TWICE as far, we can do A LOT of good.

**Unrestricted giving to Saint Mary's College goes to work immediately to support and enhance all aspects of the student experience including scholarships and core programs, supports operational expenses, and serves as a resource for unexpected opportunities throughout the year. While all donations to the College qualify for our #GivingTuesday efforts, only unrestricted gifts will qualify for our challenge match.*

Last Monday, a delicious feast awaited those on campus! Students staff, and faculty gathered and dined in Oliver Hall for Sodexo's annual Thanksgiving meal. Men's Soccer Ends Historic Season

Men's soccer finished their season nearly undefeated. They outshot Stanford 21–8 during regulation play, and the Cardinal goalie was forced to make 11 saves. The Gaels held control of the second overtime period, but the hard-fought match came to a close with penalty kicks, causing Saint Mary's to fall 4–2. Men's soccer collected the most wins in program history (18) after their historic run this year. [We're proud of you, Gaels!](#)

Did You Know?

Green Mondays

Sodexo together with Saint Mary's Sustainability is launching Green Mondays for the 2018–2019 school year. Green Monday is a social startup group that aims to tackle climate change and global food insecurity by making low-carbon and sustainable living simple, viral and actionable. Because the production of meat contributes around 18 percent of CO2 equivalent greenhouse gases globally, eating a plant-based diet just one day per week can make a big impact. Every Monday, Chef Gabe (Sodexo) will be offering delicious and creative vegetarian and vegan menu options so you can opt to reduce your carbon footprint without sacrificing the taste.
