## 2.9 Dress Standards

Each employee is expected to dress appropriately for the type of work she/he does in a manner that maintains a standard of professionalism consistent with the Saint Mary's College community. Since the appropriate standard may vary by department, the department head will communicate the dress standard to employees in that department. Clothing should be generally in good condition (i.e., not frayed, torn or too revealing). If a specific type of clothing is required due to safety or other reasons, the College will provide appropriate clothing.
