## **5.2 Training Opportunities**

Human Resources offers a variety of training and development programs on campus for staff. These include new employee orientations, leadership and supervisory development programs, change management programs, team development and planning, conflict resolution, special programs for non-supervisory staff, and individual coaching. These programs are usually announced by Human Resources to staff through the College Bulletin, email, flyers, and/or the HR website. Some programs may involve nominations by heads of departments or functions.
